I, Lori Pendergrass, am a Special Agent of the United States Homeland Security Investigations (HSI) and have knowledge of the following facts. The facts related in this attachment do not reflect the totality of information known to me or other agents/officers, merely the amount needed to establish probable cause.

1. On September 15, 2020, Homeland Security Investigations in McAllen, Texas, (HSI McAllen) received a request for investigative assistance from the U.S. Customs and Border Protection (CBP) Office of Field Operations (OFO) at the Hidalgo Port of Entry (POE) in Hidalgo, Texas. CBP Officers (CBPOs) detained Luis Eduardo Mendoza Perez (hereinafter MENDOZA), a citizen of the United States of America, driving a 2006 Pontiac G6, while attempting to depart the U.S. into Mexico with 200 AR-15 style magazines concealed underneath the rear seat and inside the spare tire well area of the vehicle.
2. During primary outbound inspection, CBP Officers (CBPOs) obtained a negative oral declaration for firearms, ammunition and currency over \$10,000.00 from MENDOZA. CBPOs referred MENDOZA and the vehicle to secondary inspection for an intensive examination.
3. A physical search of the vehicle was conducted, and 200 AR-15 style magazines were found concealed underneath the rear seat and inside the spare tire well area of the vehicle.
4. Homeland Security Investigations (HSI), Special Agents (SA) responded to the Hidalgo POE to assist in the investigation. HSI SAs interviewed MENDOZA who stated he was hired by an unknown person in Mexico and was to be paid \$2 USD per magazine to transport the magazines from the United States into Mexico. MENDOZA stated he knew it was illegal to transport the magazines into Mexico and that he did not have a license to export such items to Mexico. MENDOZA admitted he had also smuggled magazines into Mexico on two previous occasions.
5. According to the U.S. Department of Commerce, Bureau of Industry and Security (BIS), the seized magazines are determined to be on the Commerce Control List and regulated for export pursuant to the Export Control Reform Act (ECRA) (Title 50, United States Code, 4819).
